Residential Water Service

Availability

Available to water customers of the Authority located along existing mains in the communities served by the Authority.

Applicability

Applicable to domestic water service to individual residences, separate dwelling units, and individually piped apartments where service is provided at one point of delivery through one meter.

Character of Service

Water for domestic, sanitary, and other purposes at suitable pressure for household use, subject to availability at the premises of adequate capacity and sized mains.

Net Monthly Rate

The monthly billing shall be the sum of the service charge and the usage charge set forth below:

Service Charge

* Rate Code

1" or smaller meter	61	\$ 9.89
2" or larger meter	62	\$28.65

Usage Charge

First 3,000 gallons	\$ 3.91 per 1,000 gallons
All Additional gallons	\$ 6.05 per 1,000 gallons

Monthly Minimum Charge

The minimum monthly charge shall be not less than the service charge.

Terms and Conditions

Subject to the Authority's rules and regulations for water service.

APPROVED BY: 
EFFECTIVE DATE: January 1, 2017

DATE OF APPROVAL: April 22, 2016

General Water Service

Availability

Available to water customers of the Authority located along existing mains in the communities served by the Authority.

Applicability

Applicable to commercial, industrial, public institutions, and all other classes of water use other than for strictly residential purposes only. All residences used for business, professional, or commercial purposes shall also be considered as General customers. Service shall be delivered through a single meter at one point of delivery, acceptable to the Authority.

Character of Service

Water for domestic, commercial industrial, sanitary, or other purposes at suitable pressure for the intended use, subject to availability at the premises of adequate capacity and sized mains.

Net Monthly Rate

The monthly billing shall be the sum of the service charge and the usage charge set forth below:

Service Charge

* Rate Code

1" meter or smaller	64	\$ 29.95
2" meter	65	59.89
3" meter	66	109.38
4" meter	67	217.45
6" meter or larger	69	442.71
	79	Flat Rate

Usage Charge

All Water \$ 6.77 per 1,000 gallons

Monthly Minimum Charge

The minimum monthly charge shall be not less than the service charge.

Terms and Conditions

Subject to the Authority's rules and regulations for water service.

APPROVED BY: 
EFFECTIVE DATE: January 1, 2017

DATE OF APPROVAL: April 22, 2016

RATE SCHEDULE WT-71

RATE CODE 71

Special Temporary Water Service

Availability

Available to temporary customers where mains of adequate capacity and suitable pressure are in existence at the location to be served. Service hereunder is limited to a single fire hydrant considered suitable by the Authority.

Applicability

Applicable to construction needs and other temporary use, as determined by the Authority.

Character of Service

Water for domestic, sanitary and construction or other temporary uses, subject to availability of adequate supply.

Net Monthly Rate

The charge shown elsewhere in this schedule plus \$7.10 per 1,000 gallons.

Monthly Minimum Charge

The minimum charge shall be \$400.00 per service location per month.

Special Conditions

- A. Service hereunder shall be made through a special meter furnished and installed by the Authority on the selected hydrant.
- B. Customer must use the gate valve furnished with the meter assembly and under no circumstances shall the hydrant valve be operated or tampered with by the customer.
- C. There shall be a \$200.00 one-time fee plus a discretionary \$300.00 meter deposit for private contractors to guarantee the return of such meter assembly to the Authority in an undamaged condition.
- D. The Authority retains the right in its sole discretion to impose a charge of \$300.00 per day for service hereunder from the day of initial service on the date of the last meter reading in the event the meter is broken or has been tampered with and such damage is not promptly reported to the Authority.
- E. Service hereunder is considered a non-essential use and in periods of short supply, service hereunder is subject to disconnection without notice to customer.
