

NAVAJO TRIBAL UTILITY AUTHORITY

SCHOLARSHIPS

Application Season Now Open

Academic Year Fall Semester 2023 - Spring Semester 2024

NTUA is committed to provide safe, reliable, and affordable utility services and help to improve the well-being of residents living on the Navajo Nation. In order to do so, NTUA relies on professional, qualified, and technical expertise; therefore, NTUA encourages Navajo students to pursue studies that lead to either a bachelor or master degree in fields relating to the multi-service utility industry, such as business, accounting, engineering (electrical, civil, or environmental), chemistry, computer science, and informatics.

NTUA Scholarship

Award: \$2,000.00 for one year, (divided into \$1,000.00 increments for the Fall and Spring semesters). The scholarship may be used for either an Undergraduate or a Graduate degree program.

NTUA Scholarship Renewal

Apply for a renewal award if you received the award in 2022, and would like to apply again for the Fall 2023 – Spring 2024 academic year.

NTUA Enhanced Scholarship with Internship

Award amount: \$2,500.00 for one year, (divided into \$1,250.00 increments for each semester (Fall and Spring) in which student meets eligibility requirements), and a paid internship with NTUA in Summer 2023. The Enhanced Scholarship may be used for either an Undergraduate or a Graduate degree program.

Application deadline: April 28, 2023
